LIFETIME STRUCTURAL WARRANTY

Plantino Engineered Oak Regal is sold with a Lifetime Structural Warranty that covers warping or twisting of any board for the life of the floor, in accordance with the conditions listed below and as a result of product manufacturing faults or defects. Warping and twisting refers to a board independently distorting when compared to adjacent boards. These terms do not refer to cupping or doming. Cupping and doming, refers to the reasonably uniform convexing or concaving shape across the width of the surface of boards installed. Cupping and doming, whilst extremely uncommon, are caused by factors relating to installation or the installation environment. As they are outside the control of the manufacturer, they are specifically excluded from this warranty. It is also important to note that Plantino Engineered Oak Regal flooring should be installed and maintained in accordance with our installation instructions and care & maintenance guidelines (also available in store or from Floorscape Ltd). Of course, boards that are visibly faulty or deemed visually or structurally inappropriate prior to installation should not be installed and are therefore also not covered by this or, to the extent allowed by law, any other warranty.

20 YEAR RESIDENTIAL WEAR WARRANTY

Plantino Engineered Oak Regal is sold with a 20 year residential wear warranty covering wear through of the coated surface (to bare timber) in accordance with the conditions listed below. Of course, all care and maintenance guidelines should be followed at all times (a copy of our care & maintenance guidelines is readily available from your Plantino Engineered Oak Regal Timber Retailer, Floorscape Ltd or online). A minimum of 5% of the floor area must have worn through to bare timber to evoke this warranty.

WHO IS COVERED?

All warranty periods commence from the date of purchase. This warranty is offered to the original purchaser and is not transferrable unless, in the case that a builder or developer purchases the flooring. In this case, the owner of the property 12 months after purchase of the flooring will be entitled to full cover under this warranty.

WHAT IS NOT COVERED?

- Wear that may be associated with water or liquid damage from any source (moisture ingress from any source into the board). Scratches, stains or indentations of any type are also not covered by this warranty.
- Wear or structural deformation that may be associated with improper installation or improper maintenance procedures. Installation Instructions are supplied in every pack of Plantino Engineered Oak Regal.

- Labour charges associated with any rectification work. In some cases, and only when a floor has been professionally installed by the retailer or place of purchase, reasonable labour costs may be considered, at the sole discretion of Floorscape Ltd.
- Any costs associated with any rectification work required other than the supply of new flooring and scotia beading if necessary. Re-painting, removal of fixtures or furniture, accommodation and any other costs are specifically excluded from this warranty.

HOW TO MAKE A WARRANTY CLAIM AND WHAT IS COVERED?

To evoke a claim under this warranty, communication with the retailer that the flooring was purchased from must be made. Proof of purchase will be required when contact with the retailer is made. The retailer will then contact Floorscape Ltd to arrange an inspection of the flooring installed, shortly after which a determination will be made regarding the warranty claim. Only if the retailer is no longer trading, direct contact with Floorscape Ltd should be established by the consumer. Only an authorized representative of Floorscape Ltd can authorise a warranty claim. In the event that a claim is authorised, a remedy will be issued in writing by Floorscape Ltd. Remedies will be tailored to suit individual circumstances. Remedies can vary depending on the condition of the floor and warrantable area from full floor replacement to the repair of individual boards. The remedy on each claim will be at the sole discretion of Floorscape Ltd. Should board replacement be necessary, new boards from the current batch will be supplied to replace or repair boards. This warranty is in addition to, and has no impact on, statutory rights of any purchaser. Claims must be lodged by contacting the retailer from where the flooring was purchased within 15 days of the problem being noticed.
