

Why Choose PerfectSheer

- **The perfect mix of shade and sheer**, balancing light, privacy and view.
- Allows you to control both light and privacy in one shade.
- Seams are woven not heat sealed, which means they don't come apart.
- Choice of fabric covered fascia at no extra charge,
- Exclusive fabrics designed for privacy during the day, and room darkening at night.
- Optional innovative LightGuard designed to reduce the light leakage through the sides of the shade.
- Widest view between the vanes and the tightest closure in its class. View for the day and privacy at night
- Supplied with Norman's exclusive "No Questions Asked" 3 year warranty. Even if you break it, we will replace it.
