How to evoke a claim?

To evoke a claim under this warranty, communication with the retailer that the flooring was purchased from must be made. Proof of purchase will be required when contact with the retailer is made. The retailer will then contact Premium Floors Australia P/L or an authorized third party to arrange an inspection of the flooring installed, shortly after which a determination will be made regarding the warranty claim.

Only duly authorised representatives of the manufacturer/distributor can authorise a claim. Remedies can vary depending on the condition of the floor and warrantable area from full floor replacement to the repair of individual boards. The remedy on each claim will be at the sole discretion of either Premium Floors Australia P/L. Should board replacement be necessary, new boards from the current batch will be supplied to replace or repair boards.

This warranty is in addition to, and has no impact on, statutory rights of any purchaser. Claims must be lodged by contacting the retailer from where the flooring was purchased within 15 days of the problem being noticed.

Major Failure

Plantino Laminate Renova and Plantino Laminate Manor flooring is resistant to chips, scratches, stains and wear but not “proof” in any respect (i.e. scratch proof) and reasonable care should be taken to avoid scratching chips & damage from occurring. In addition, some gloss variation between boards installed may occur. Plantino Laminate Renova and Plantino Laminate Manor flooring is made using High Density Fibreboard core and this wood-based material can be susceptible to seasonal movement, creating small gaps between the joins of each board. Note that small gaps, gloss variation, scratches and chips are NOT considered as major failure. These definitions are not intended to reduce or diminish the statutory rights of any purchaser.

As the warranties for Plantino Laminate Renova and Plantino Laminate Manor flooring deal only with the manufactured goods, installation warranties should be sought from the installation company or individual completing the installation.
